Employment and Professional Activities

Associate Pastor, New Song Church, Windsor, ON. March 2024 – current.

My main responsibilities are to function as part of the leadership team and academic advisor for the Bible college students at Urban Cry School of Mission. This New Song Church ministry is a Bible college hub affiliated with Bridges Christian College and Seminary (New Orleans). I regularly preach and teach as part of the pastoral teaching team for New Song Church.

Board Member, New Song Church, Windsor, ON. March 2022 – May 2024.

Our board was tasked with administrative oversight of the church and our large-scale church ministries. We oversaw the work of Feeding Windsor Essex, New Song Church's ministry for low-income persons experiencing food insecurity, and the Soup Shack, a meal ministry for street affiliated persons. Together these ministries served over 500 meals everyday to the people of Windsor, ON.

Volunteer Coordinator for Saturday Night Alive, New Song Church, Windsor, ON. October 2012 – September 2019.

I was part of the leadership team that managed an outreach ministry based at New Song Church. As part of the team, I developed a weekly ministry that proclaimed the resurrection of Jesus through innovative storytelling.

Laboratory Technician, Department of Botany, University of Guelph, Guelph, ON. January - June 1990.

I facilitated student learning through laboratory design and experiment set up for 300 students in two undergraduate courses. In this capacity I spearheaded WHMIS compliance for undergraduate student laboratories.

Research Summer Student, Department of Crop Science, University of Guelph, Guelph, ON. April - October 1989.

Assistant Field Crop Extension Officer, Ontario Ministry of Agriculture and Food, Guelph, ON. April - August 1988.
